

**ADDENDUM 3 TO RFP-PW-11-2025
(September 29, 2025)**

TOWNSHIP OF NORTH HURON

SCADA UPGRADES TO WINGHAM AND BLYTH WATER SYSTEMS

After consulting with our engineering department, the Township of North Huron is removing the Wingham Standpipe from the SCADA upgrade RFP due to changes that will occur with the Standpipe in the near future.

And, any proponent that wishes to view the as built drawings of the original system can be supplied with those files.
