# North Huron Aquatic Centre Schedule: Summer Break 2025

## June 16th- August 24th, 2025

### Admittance Policy

NHWCC aquatic staff are experts trained in aquatic emergencies. They are required to supervise all patrons and will not act in a child care capacity.

Parental supervision of all children under 11 years old is strongly recommended during all pool visits.

All swimmers must be in proper swim attire. Young swimmers who are not toilet-trained must wear a swim diaper; they are available for purchase in the lifeguard office.

#### **Children 6 & Under:**

Children 6 & under must be accompanied in the water by a responsible parent or guardian 14 years of age or older and must be within arms reach.

#### **Children Ages 7-10:**

Children aged 7-10 may be admitted to the pool without direct in-water supervision provided they pass the NHWCC swim test and are a minimum of 48 inches tall.

Children 7-10 who do not pass the NHWCC swim test must have a parent with them in the water during the swim.

#### **Children Ages 11+:**

Children 11 years or older, who have passed the NHWCC swim test, may enter the Aquatic Centre unaccompanied. Swimming with a buddy is strongly recommended.

#### **Family Swims:**

During Family Swim times children 18 & under must be accompanied by an adult 18 or older.

#### **Individuals with Medical Conditions:**

Individuals with medical conditions are at greater risk while swimming and should be accompanied by another person with knowledge of their condition.
