PW-03-2026: Crack Sealing

ADDENDUM 3

On Wednesday, February 25, 2026 the tender described above was published. This addendum is being issued to make a change to the requested project scope.

1. The original tender document requested cleaning, routing and crack sealing for 25,000-30,000 linear metres of asphalt cracking. By means of this Addendum, this amount has been reduced to 16,000 – 18,000 linear metres.
