VOTING PROCESS

A Telephone/Internet Voting method shall be used for the 2026 municipal election.

- The Voting System provided by Simply Voting Inc. shall allow electors to vote using a telephone or the internet. Electors shall be required to access a designated internet address or telephone a designated number in order to cast their ballot.
- Every elector shall be limited to only one vote through the use of a PIN distributed via Canada Post Lettermail in a sealed and personalized Voter Information Letter, or issued in person or by e-mail or telephone by an Election Official, as necessary. Every elector shall be required to provide their date of birth along with their PIN.
- Once the Voter PIN has been used with the Telephone/Internet Voting service to cast a vote, it cannot be used for voting again.
- Following the voter's selection for all offices on a single composite ballot, the Voting System shall identify the voter's choices and provide the voter with the option of changing or confirming their vote selections prior to submission.
- The Voting System shall enable the elector to under-vote a contest or contests, or decline from voting the ballot in its entirety, if they wish to do so.
- For the purposes of reporting declined ballots in accordance with Subsection 55(4.1) 2 of the *Municipal Elections Act, 1996*, an under-voted ballot shall be considered an abstention from voting for one or more contests on the ballot or voting for fewer candidates than is permitted within a single contest, whereas a declined ballot shall be considered a deliberate choice by the Elector to decline the entire ballot by selecting a 'declined' option on the ballot. A declined ballot shall not include votes cast for any contest, which is separate and distinct from an under-voted ballot which may or may not include votes for all contests, one contest, or no contests on the ballot.
- The Voting System shall not permit a voter to overvote, or to spoil a ballot.
- If an elector is interrupted before casting their vote, they may re-commence voting later using the same method or the other method. Once a voter has cast the vote, that voter will not be granted access to Telephone/Internet Voting again.
- Voting will commence on October 13, 2026 at 9:00 a.m. and close on October 26, 2026 at 8:00 p.m. Notwithstanding the closure of remote voting at 8:00 p.m. on the final day, persons present at a Voter Help Centre at 8:00 p.m. will continue to be allowed to access the Voting System and complete the voting process. Persons who have gained access to the Voting System through their

own device prior to 8:00 p.m. on October 26, 2026 will be permitted to complete the voting process, provided that they do so by 8:05 p.m.

- Prior to the activation of the system by Simply Voting Inc., being on October 13, 2026 at 9:00 a.m., Simply Voting Inc. shall allow access by the Clerk, the Auditor, or other authorized Election Officials as determined by the Clerk, to the Voting System by secure username and password, for the purposes of viewing a list of all of the candidates' names and possible selections for any questions or by-laws on the ballot, including the sum total of votes cast to ensure that the total votes cast indicates "0" (Zero).
- Candidates or their scrutineer may be present on October 13, 2026 at 9:00 a.m. to verify and ensure that all totals of votes cast are at "0" and shall be required to sign the "Activation of Simply Voting System" **Form T105** that attests to this fact.
- Where a voter qualifies at more than one location in the municipality, the voter may vote only once for each office and the qualifying address to determine eligibility for voting shall be the elector's place of residence. Duplication of names on the preliminary list of electors shall be investigated by the Clerk and/or Election Official(s) and all obvious duplicate names of individuals shall be deleted prior to the final preparation of the Voters' List as certified by the Clerk. However, should an eligible voter receive more than one Voter Information Letter, the eligible elector may only vote once and must return the other Voter Information Letter to the Municipal Office and complete an application to correct the Voters' List by removing the duplicate name. All voters that vote more than once, or who improperly use the Voter Information Letter shall be reported to the police for further investigation as to possible corrupt practices under the *Municipal Elections Act, 1996*.
- Section 42 (5) states that when a by-law authorizing the use of an alternative voting method is in effect, Section 44 (voting proxies) applies only if the by-law so specifies. By-law No. 14-2025 does not permit proxy voting. Therefore, with respect to proxies, a person cannot give his or her Voter Information Letter to another eligible elector or other individual for the purpose of voting. Acceptance or theft of another person's Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provisions under the *Municipal Elections Act, 1996*.
- Sealed Voter Information Letters returned to the Municipal Office shall remain sealed, shall be marked "returned mail" and be maintained in a secure fashion and destroyed at the same time as all other Municipal Election material as provided for under Section 88 of the *Municipal Elections Act, 1996*.
- Should a Voter Information Letter be returned to the Municipal Office that has been opened but has not been used for voting purposes, the Election Official shall immediately disable the PIN so

that the PIN cannot participate in the voting process. In this circumstance, the Voter Information Letter shall be marked “unused” and be secured and destroyed in accordance with the section above.

- The Clerk in partnership with Simply Voting Inc. shall take appropriate measures to ensure that all Voter Information Letters and their associated PINs are accounted for throughout the election and after the conclusion of the Voting Period. After the conclusion of the election, Simply Voting Inc. shall supply the Clerk with a report detailing the status of all VILs/PINs during the election.
- The Clerk shall arrange a Voter Help Centre to be set up in The Municipality on specific dates and times during the Voting Period. The Voter Help Centre shall be equipped with one or more Voting Kiosks for use by electors to cast their ballot.
- The Voters’ List shall be available to Election Officials at the Voter Help Centre in electronic format to provide all the services performed at a Revision Centre in accordance with these procedures.
- Where a person on the Voters’ List has attempted to vote and their PIN has already been used, he or she can provide to the satisfaction of the Election Official that they did not vote using the PIN and that they require a new PIN. Upon providing proof of identity and residence as prescribed in O. Furthermore, a new Voter Information Letter containing a new PIN shall be issued. The new PIN shall replace the old PIN in the voting system.

Reg. 304/13 to an Election Official, an oath on “Application for Re-Issuance of a Voter Information Letter (Used by an Impersonator)” **Form TI02** shall be taken by the elector and the elector’s status shall be reset to allow a second vote. The original ballot that was cast by the unauthorized individual will remain in the Voting System, as ballots are disassociated from the electors’ PINs once they are cast. The elector will be directed immediately to cast their ballot at a Voting Kiosk to eliminate any further misuse of the PIN. Should the elector leave without voting the new PIN will be disabled.
- Where an elector’s PIN is assigned an incorrect ward and/or school board support information, the elector can attend a Revision Centre or Voter Assistance Centre and have the proper categories of ward and/or school support applied to the existing PIN before casting their ballot. CORRUPT ELECTION PRACTICES

PROVINCIAL OFFENCES AND PROSECUTION

The *Municipal Elections Act, 1996* provides for penalties and enforcement of corrupt practices and other offences during an election process. Penalties can include a fine up to \$25,000, forfeiture of office, ineligibility to run for office in the following election, and/or imprisonment of up to 6 months. Although the municipality will be using an alternative voting method, being Telephone/Internet Voting, the principles and the integrity of the election process will remain and are enforceable.

Section 89 of the *Municipal Elections Act, 1996* provides that a person is guilty of an offence if he or she:

- a) Votes without being entitled to do so;
- b) Votes more times than the Act allows;
- c) Induces or procures a person to vote when that person is not entitled to do so;
- d) Before or during an election, publishes a false statement of a candidate's withdrawal;
- e) Furnishes false or misleading information to a person whom this Act authorizes to obtain information;
- f) Without authority, supplies a PIN/ballot to anyone;
- g) Deals with a PIN/ballot, without having authority to do so;
- h) Attempts to do something described above.

No person(s) shall solicit a Voter Information Letter, containing a PIN, from an eligible elector. All valid complaints or knowledge of solicitation shall be reported immediately to the police for investigation of corrupt practices.

In addition, under the provision of Section 90(1) of the *Municipal Elections Act*, 1996 if a person is convicted of an offence and the offence was committed knowingly, the offence also constitutes a corrupt practice and the person is liable, in addition to any other penalty, for a term of imprisonment not more than six (6) months.

Although many provisions of the *Municipal Elections Act*, 1996, also deal with voting places, ballots and ballot boxes, etc. the same must be used interchangeably with the “alternate form” of voting since the principles of the Act must be maintained and are therefore enforceable and subject to penalties.

As such, the Clerk, in this alternate form of voting, has agreed to the following rules and regulations:

- a) That all complaints submitted in writing about actions which may contravene the provisions of the *Municipal Elections Act*, 1996, will be reviewed by the Clerk.
- b) That all such valid complaints submitted in writing, once deemed by the Clerk to be valid and not frivolous, will be submitted to the appropriate authorities.
- c) That the Clerk or any Election Official will not attempt to intervene in the prosecution and may be called to give evidence during prosecution.

PENALTIES

An individual who is convicted of an offence is liable to penalties that include but are not limited to a maximum fine of up to \$25,000, ineligibility to run for office in the following election, and/or imprisonment up to 6 months.

Candidate [Section 91 (1)]

If a person is convicted of a corrupt practice under the *Act*, or of an offence under the *Criminal Code* (Canada) in connection with an act or omission that relates to an election to which the Act applies, then, in addition to any other penalty provided for in the Act:

- a) any office to which the person was elected is forfeited and becomes vacant; and
- b) the person is ineligible to be nominated for or elected or appointed to, any office until the next two regular elections have taken place after the election to which the offence relates.

However, if the presiding judge finds that the person committed the corrupt practice or offence under the *Criminal Code* (Canada) without any intent of causing or contributing to a false outcome of the election, clause b) does not apply.

Individual [Section 94 (1)]

An individual who is convicted of an offence is liable to the following penalties in addition to any other penalty provided for in the Act:

1. for any offence, a fine not more than \$25,000;
2. for any offence other than a corrupt practice, the penalties described in Subsection 88.23 (2) – Effect of Default by Candidate and 88.27 (1) – Effect of Default by Registered Third Party.
3. for an offence under Section 90 (Corrupt Practices: Certain Offences Committed Knowingly), imprisonment for a term of not more than 6 (six) months;
4. for any offence that the presiding judge finds that the individual committed knowingly, imprisonment for a term of not more than 6 (six) months.

Trade Unions [Section 94 (2)]

A corporation or trade union that is convicted of an offence is liable to a fine of not more than \$50,000 in addition to any other penalty provided for in the Act.

MAIL TAMPERING – CRIMINAL OFFENCE AND PROSECUTION

Notification of the voting process and how electors can access the voting system will be provided in the Voter Information Letters and will be sent via Canada Post Lettermail.

The Criminal Code of Canada states that tampering with the mail of an individual is a criminal offence and a person(s) found guilty is liable to a term of imprisonment not exceeding ten (10) years. Since The Municipality's election methods rely on delivery of the VIL to eligible electors in order to allow those electors to exercise their right to vote, any instance or substantiated account of mail tampering will be taken very seriously and reported to the authorities.

In order to ensure the integrity and confidence of the voting process for all electors and candidates, the Clerk agrees to the following rules and regulations:

- a) That all complaints about actions which may contravene the provisions of the Criminal Code of Canada with respect to mail tampering, submitted in writing, will be considered by the Clerk.
- b) That all such valid complaints, once deemed by the Clerk to be substantiated, will be submitted to the appropriate authorities.
- c) That the Clerk or any Election Official will not attempt to intervene in the prosecution and may be called to give evidence during prosecution.
